

10. **Planning & Zoning** Bill Hafeman
The committee did not have much activity in January.
11. **Health & Environment** Shirley McDonald
Committee is a joint committee which includes: Sun City, Sun City West, Coyote Lakes and Surprise. The county has had a pollution monitor at Coyote Lakes for the last two years. The monitor is being moved to a new location where it allegedly will not record as much particulate matter (PM).
12. **Community Standards** Chuck Ullman
The investigator resigned. It is taking longer to respond to issues. We are currently negotiating a new procedure for enforcement in Sun City West.
13. **Lifelong Learning** Chuck Ullman
There are 174 participants in 37 classes. There are still some openings.
14. **Community Relations** Pat Leopard
Per the report: The newly named Sun City West Citizens Corp will hold a community forum at Palm Ridge on April 25, 2009 to give an update on emergency preparedness in Sun City West.
15. Next PORA Board of Director's Meeting – Monday, March 16, 2009 @ 1 pm @ the PORA Conference Room
16. Adjournment
17. Candidates for the PORA Board each gave a 3 minute-presentation indicating their experience and why they want to be a PORA Board member. The election will be held in conjunction with the Rec Center Board elections at the new Data Resource Center at the RH Johnson Library.
