1. Meeting called to order at 1:33pm. by Merlyn Carlson
2. Welcome to Committee and residents.
3. Minutes of March 28, 2012, approved as written.

4. Current Updates:

MCDOT Update:

Q: Bill Hansen, PORA President: Please check the 4 way stop signs at the intersection of Beardsley and Camino del Sol. One sign is hard to see with a tree hiding it.

A: Vickie Stewart MCDOT: We will take a look.

Q: Bill Hansen, PORA President: Wanted information regarding the Williams Drive/Deer Valley Road: El mirage Road to 109th Ave. roadway project.

A: Ashleigh Hope MCDOT: The proposed five-lane roadway will go from Williams Dr. at 117th Ave. across the Agua Fria River channel to 109th Ave. at Deer Valley Rd. This will be a bridge road that will “fly-over” the truck route. This road will not go into the SCW community.

Vickie Stewart MCDOT:

The new traffic signal at Meeker and Wilson Way will be working on May 30th.

MCDOT will check on:

- Trail Ridge and R H Johnson update on the “dip” repair that is needed.

5. Old Business:

MCSO Sgt. Polly White:

No startup cost as yet for the golf cart seat belt event. I have been researching the portable speed trailer sign and we are coming up with nothing. No grant information so far.

Merlyn Carlson: The Rec Center has said they will help with some funding for the speed sign, but the problem seems to be who will be in charge, monitor, and maintain the sign.

Merlyn Carlson: The Safety brochure, with a few changes MCDOT will be making, will soon be ready. We are now looking at publishing, printing, and getting them out to the community. Hopefully the POSSE will be able to send them out in their fall mailing. We do have some bits for printing the brochures. We received a printing bid with 20 thousand copies; the low bid was \$1900. We may want more than 20,000 printed with 1800+ rooftops in SCW.

6. Adjournment at 2:10pm.

Next Meeting: September 26th
